## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-5 and 7-15 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1, 7, and 11 the applicant has disclosed that the artificial IMSI value is created based on the carrier service of the second mobile station. This value is not developed based on IMSI value that is typically associated with a country code, but with a value that is assigned by the 3rd party which can identify country carriers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
